**Goodbye Graffiti™ Portland Announces
New Downtown Location to Open November 15th 2004**

FOR IMMEDIATE RELEASE – September 21st 2004

Portland, Oregon - Goodbye Graffiti™ Inc. announced today that Goodbye Graffiti™ Portland, an Oregon based corporation, will be opening for business on November 15th 2004.

Goodbye Graffiti provides graffiti removal services and abatement programs for small and large customers across the United States. The Portland Team will remove its first piece of graffiti on November 15th and we hope to remove more than 2000 marks every month throughout our first year. As one of the newest members of the Portland Business Community the company hopes to help both citizens and businesses manage this growing problem in a cost effective and professional way.

“There is a considerable amount of old graffiti in Portland that desperately needs professional attention and there is also a growing problem. We are excited to become part of Portland’s vibrant business community,” said Perri Domm, Founder and President of Goodbye Graffiti™ Inc.

Goodbye Graffiti™ was formed in 1997 and offers the worlds first turnkey graffiti removal franchise using a proprietary line of graffiti removal products, custom manufactured graffiti removal vehicles and Certified Graffiti Removal Technicians who are experts in removing over 55 marker types from 75 different surface types. By the end of their 6th year of operation, Goodbye Graffiti™ had removed over 5 million pieces of graffiti across North America.
