**PRESS RELEASE:**

**Goodbye Graffiti™ Calgary receives Kudos from Consolidated Real Estate Services**

**Calgary AB – Goodbye Graffiti™ Calgary**

Everyday Goodbye Graffiti™ locations across North America work hard to serve our clients. Just like us our clients are extremely busy and so it is especially nice to receive feedback from clients knowing that they have taken time out of there busy day to let us know they have appreciated our work. Below is an email received by Goodbye Graffiti™ Calgary in appreciation of their great work.

*Hi Andrea:*

*Just a quick email to let you know that Marymae is very pleased with the work that you do. You are always very courteous and very prompt in getting the graffiti cleaning done on our properties. She was amazed that you matched the red paint at the Building Bloc when you did the graffiti removal last week.*

*Thanks for your great work!*
